1. Plagiarism is to present someone else's ideas as my own.

2. Where material written by other people has been used (either from a printed source or from the Internet) this has been carefully acknowledged and referenced. I have used the Harvard Referencing style for citation and referencing. Every contribution to and quotation from the work of other people in this essay has been acknowledged through citation and reference.

3. I know that plagiarism is wrong.
    3.1 I understand what plagiarism is and am aware of the University's policy in this regard.
    3.2 I know that I would plagiarise if I do not give credit to my sources, or if I copy sentences or paragraphs from a book, article, or Internet source without proper citation.
    3.3 I know that even if I only change the wording slightly, I still plagiarise when using someone else's words without proper citation.
    3.4 I declare that I have written my own sentences and paragraphs throughout my essay and I have credited all ideas I have gained from other people's work.

4. I declare that this assignment is my own original work.
